Subject: Re: Schedule Meeting to Discuss Western Zirconium Sample
Date: 07/02/2012 04:32 PM

David,
We continue to be difficult. Jim and Rolf are 4-10 hour day guys and they are not in on Fridays. On Thursday, Jim has a presentation he needs to give on the Ninigret/Engelhard site to our Solid and Hazardous Waste Control Board. On Tuesday morning Jim and I will be tied up in discussions with the Army on permitting their Explosive Destruction System. Anything available Monday, Tuesday PM or Wednesday?
Thanks, Brad
